Fluke 287
Best for Advanced electronic applications, including datalogging and graphing intermittent problems.

Remote monitoring
View meter display up to 30 feet away from the measurement point. Observe meter real-time readings remotely.

Unusual measurements
Remote magnetic display solves separation problems.

Electrical maintenance
All the features and functions of a conventional multimeter.

Fluke 233
Best for Applications where display positioning is problematic.

Remote monitoring
View meter display up to 30 feet away from the measurement point. Observe meter real-time readings remotely.

Unusual measurements
Remote magnetic display solves separation problems.

Electrical maintenance
All the features and functions of a conventional multimeter.

Fluke 179
Best for Every day use requiring a true-rms, accurate, rugged meter.

Industrial troubleshooting
Applications requiring exceptional ease-of-use, ruggedness and reliability.

Electrical maintenance and troubleshooting
Variety of commercial electrical troubleshooting, installation and maintenance.

Temperature measurements
Built-in thermometer conveniently allows you to take temperature readings without having to carry a separate instrument.

Fluke 175
Best for Every day use requiring a true-rms, accurate, rugged meter.

Industrial troubleshooting
Applications requiring exceptional ease-of-use, ruggedness and reliability.

Electrical maintenance and troubleshooting
Variety of commercial electrical troubleshooting, installation and maintenance.

More product information »

Fluke 115
Best for Electronic and field service applications.

Electronic troubleshooting
Troubleshoot a wide variety of measurement parameters, including frequency and capacitance.

Fluke CNX 3000
Best for Applications where live measurements from multiple modules simultaneously and remotely are necessary.

Applications
• Overcome separation issues between measurement points and/or controls
• Easily see cause and effect

Remote monitoring
The CNX wireless enabled modules measure ac voltage, ac current and temperature, which display on the CNX 3000 Wireless Multimeter.
